

Sydinvest Far East Equities EUR Acc

Fund Facts - 1. October 2024

Investment profile

The fund invests actively in companies from countries in Asia, Latin America, Eastern Europe, the Middle East and Africa. Portfolio philosophy is based on extensive analysis of global and local market conditions involving four elements: macroeconomic analysis, structural themes, style analysis and an assessment of each company's business model, quality and return potential. This process aims to identify a robust portfolio of shares that is expected to deliver growth and quality at an attractive price. A portfolio usually comprises between 80 and 120 shares spread across countries, industries and companies.
